

ASSEMBLY BILL

No. 1393

**Introduced by Committee on Arts, Entertainment, Sports, Tourism,
and Internet Media (Campos (Chair), Carter, Gatto, Mendoza,
and Monning)**

February 28, 2011

An act to add Section 1308.10 to the Labor Code, relating to employment.

LEGISLATIVE COUNSEL'S DIGEST

AB 1393, as introduced, Committee on Arts, Entertainment, Sports, Tourism, and Internet Media. Employment: on-location filming permits.

Existing law requires that the written consent of the Labor Commissioner is required for the employment of minors in specified aspects of the entertainment industry.

This bill would require a local agency or public entity that issues a permit for on-location filming, require that the applicant for the permit declare whether it has or intends to seek permission to employ a minor in the production and to make this information available to the Department of Industrial Relations and the Division of Labor Standards Enforcement within the department.

Because this bill would create a new requirement for local entities to collect and report this information regarding the employment of minors, it would impose a state-mandated local program.

The California Constitution requires the state to reimburse local agencies and school districts for certain costs mandated by the state. Statutory provisions establish procedures for making that reimbursement.

This bill would provide that no reimbursement is required by this act for a specified reason.

Vote: majority. Appropriation: no. Fiscal committee: yes.
State-mandated local program: yes.

The people of the State of California do enact as follows:

1 SECTION 1. Section 1308.10 is added to the Labor Code, to
2 read:
3 1308.10. A local agency or public entity that issues a permit
4 for on-location motion picture, television, or commercial
5 production shall do both of the following:
6 (a) Include a field on the application form for the applicant to
7 declare whether it has or will seek to obtain a permit to employ a
8 minor in the entertainment industry, as required under Section
9 1308.5.
10 (b) Make the information required in subdivision (a) available
11 to the department and the division directly upon request, or by
12 providing the information in any notice of filming location
13 generated by the entity and made available to the department.
14 SEC. 2. No reimbursement is required by this act pursuant to
15 Section 6 of Article XIII B of the California Constitution because
16 a local agency or school district has the authority to levy service
17 charges, fees, or assessments sufficient to pay for the program or
18 level of service mandated by this act, within the meaning of Section
19 17556 of the Government Code.
